

Hi, My name is Olivia and I have 3 pets, a Dog, A Cat and a Hamster.

My dog's name is Langston and he is a 7 year old and Border Collie/Hound Mix. .

I feed him and change out his water bowl (that he shares with the cat, don't ask). I

also play with him and let him in and out of the house. He knows how to shake

hands and he caught a groundhog, a mole, a squirrel and a baby rabbit in our

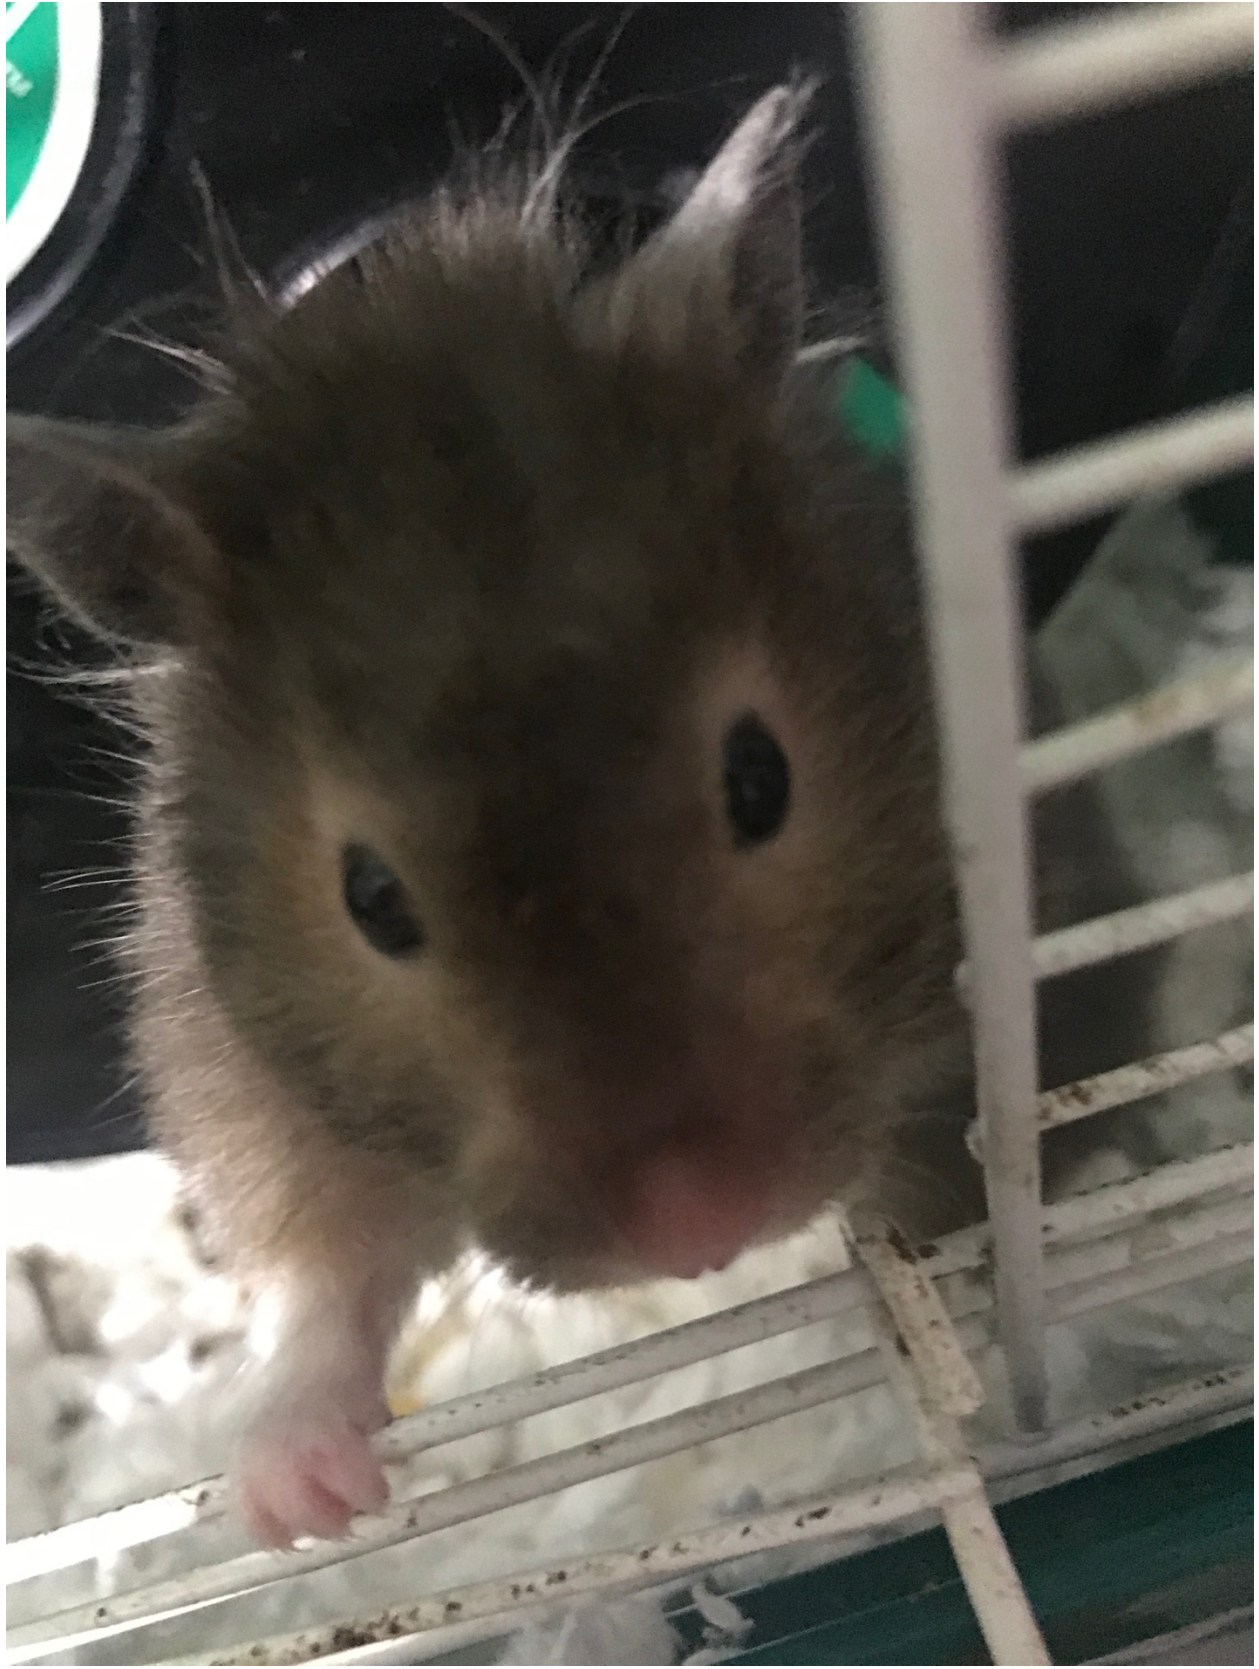

backyard yard, so he is more Hound than Border Collie.

My cat's name is Pete and he is 4 years old domestic short haired cat. I am responsible for cleaning his litter box, feeding him and keeping him away from the dog (who he likes to fight sometimes) and the hamster (who intrigues him).

I also have a hamster and her name is Skyscratch and she is a 7 month Syrian Hamster. I clean her cage, change her water and feed her.
